2024

116
Years

In 2023, we are proudly celebrating **116 years** of history.

Getting this far has not been easy. Fortunately, Artiach has been able to **evolve, modernise and overcome the many challenges** faced over so many years.

Through the effort and talent of our **exceptional team**, we have transformed ourselves into a company with a wide range of projects and an exciting future.

Many thanks to all those who have always placed their trust in us.

Let's continue to enjoy our journey together!

Where we are

Founded in the Ribera de Deusto (Spain), Artiach is the reason why Bilbao has enjoyed the delicious smell of freshly baked biscuits since the early 20th century.

Always faithful to our origins, this sweet adventure continued through many ups and downs until we moved a few years ago to the beautiful town of **Orozko**, which today houses our modern biscuit factory.

The background of the entire image is a repeating pattern of Artinata wafer boxes. Each box is rectangular with a double-line border. Inside each box, the word "ARTIACH" is printed in a clean, sans-serif font. Above and below the text are decorative patterns of parallel diagonal lines, with a small upward-pointing triangle centered between the two line groups.
